Hi Rebecca,

Thank you for submitting your request by way of our online form.

I wonder whether it would be possible instead for you to link to these online sheet music previews from our website:

Sanctus (W5041) <https://www.gjamusic.com/store/resource/sanctus-ssa-w5041>

Across the Bridge of Hope (W5046) <https://www.gjamusic.com/store/resource/across-the-bridge-of-hope-ssa-w5046>

Nordic Polska (WRG1025) <https://www.gjamusic.com/store/resource/nordic-polska-satb-print-wrg1025>

Two of these pages have embedded video demos that may be useful for your readers. The related SATB edition (WW1267) of Sandström's Sanctus has a full audio preview as well as a sheet music preview.

Please let me know whether this alternative for requested music examples may meet your needs. I look forward to your reply.

Best regards,
Kyle
